PROFILE

Tech-savvy professional with strong expertise in computer operation, IT skills, and web design. Proficient in MS Office Suite, Google Workspace, and basic web technologies (HTML, CSS, JavaScript), with experience in troubleshooting and digital content management. Currently working as a teacher and computer operator, effectively guiding students with discipline. Has a keen interest in Nepali literature, including ghazals, poems, and novels, and enjoys promoting Nepali language and culture.

WORK EXPERIENCE

- Recorded daily sales and purchase data accurately in the computer system.
- Prepared reports, bills, and stock details using MS Excel, MS Word, and other office software.
- Maintained customer and supplier information in an organized manner.
- Assisted in solving basic system errors and managed digital files properly.
- Supported stock management by updating daily in-out records.
- Performed regular office tasks such as printing, scanning, and photocopying.
- Provided IT support to ensure smooth and efficient daily office operations.
